BOARD AGENDA ITEM 10.C.

TO: Board of Trustees

FROM: Tricia T. Price, Ed.D., Superintendent/Principal

RE: **Adoption of Resolution 2015/16-7 Approving the District's Education Protection Account (EPA) Expenditure Plan**

The creation of the Education Protection Account (EPA) through Proposition 30 initially funded in FY 2012-13 not only impacted cash flow patterns but also contained an accountability component. Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the funds received from the EPA are spent, but with these provisos:

- The spending plan must be approved by the governing board during a public meeting.
- EPA funds cannot be used for the salaries or benefits of administrators or any other administrative costs (as determined through the account code structure).
- Each year, the local agency must publish on its website an accounting of how much money was received from the EPA and how the funds were expended.

In addition, there is a requirement for the annual financial audit to include verification that the EPA funds were used as specified by Proposition 30 and the additional cost of the audit, if any, would be an allowable expense from EPA funds. Civil or criminal penalties could be incurred if EPA funds are not expended in accordance with the requirements of Proposition 30.

For 2013-14 through 2017-18, the rest of the years that Proposition 30 will be effective, the EPA spending plan should be approved by the Board at the time of the budget for each year is adopted. The District brings this approval to you now with expenditure detail through February 29, 2016 with the Second Interim presentation. A copy of the exhibit template recommended by the SBCEO for presentation on the District's website is provided.

Included in our packet is a Resolution describing the EPA expenditure plan for Cold Spring School District for your approval.

I recommend that the Board adopt Resolution 2015/16-7 approving the District's EPA expenditure plan and direct that the actual expenditures to date be posted on the District website.
